

# RE VITA LIZE

LASER COMB

Experience the ultimate solution for healthy, vibrant hair with the innovative Revitalize Laser Comb, designed exclusively for use with our professional Revitalize Hair Serum.

This advanced tool combines cutting-edge technology to boost hair regeneration and ensure optimal absorption of active ingredients, delivering exceptional results for your clients.

Applying **Revitalize Hair** with the new **Revitalize Laser Comb** is incredibly simple and practical.

Just fill the included container with the **Revitalize Hair Serum**, and the comb's innovative bead system evenly distributes the serum across the scalp while combing.

Thanks to the integrated laser and vibration technology, the serum is absorbed deeply and effectively, stimulating scalp regeneration. A quick, efficient, and convenient solution for professional hair care!

## KEY FEATURES:

**Innovative Serum Application:**  
Dispenses serum evenly across the scalp using a 10-piece, 0.3 mm elastic leakage beads.

**Large Storage Capacity:**  
Includes a 10 ml liquid container, perfect for professional use.

**655 nm Laser Technology:**  
12 precision lasers to treat hair loss and strengthen roots

**High-Frequency Vibration:**  
Enhances scalp circulation and promotes deep serum absorption.

**9-Minute Auto-Timer:**  
A quick and effective treatment session every time.

**Anti-Slip Ergonomic Design:**  
Comfortable and easy to use for both professionals and clients.
